WORK EXPERIENCE

Undergraduate Teacher Assistant, Graphic Design, The American University in Cairo, 2023 – 2024

- Provided one-on-one assistance and guidance to students in photography and design courses.
- Explained complex course materials and concepts to ensure thorough understanding.
- Managed classroom technology, including setting up and troubleshooting equipment.
- Assisted in providing constructive feedback to help students improve their skills and understanding.
- Facilitated a smooth and efficient learning environment.

Graphic Design & Marketing Intern, Walnut Creek Realty Ohio, Jan. 2023 – May 2023

- Engaged in executing marketing strategies to meet established objectives and goals.
- Collaborated with the design team to develop social media ads, enhance brand identity, and create impactful outdoor advertisements.

Undergraduate Teaching Assistant, Production, The University of Akron, Jan. 2023 – May 2023

- Responsible for assisting students with design and printing, providing guidance and support to help them complete their projects efficiently and effectively.

- Managed the operations of labs at the Myers School of Art, overseeing the maintenance of equipment and ensuring a safe and productive environment for all users.

Intramural Official, Recreation Center & Wellness, The University of Akron, Jan. 2023 – May 2023

- Efficiently managed sports operations at Akron Recreation Center, ensuring smooth activities.
- Officiated games, ensuring fairness and enforcing rules to create a positive environment.
- Organized sports leagues: scheduling games, arranging teams, and coordinating with players.
- Managed and operated the warehouse, overseeing inventory, equipment maintenance, and distribution to ensure all necessary resources were available.

Work Study, Well Being Center, The American University in Cairo, 2020, 2023

- Assisted students with disabilities across campus, addressing and supporting all their needs.

Intern, Athletic Department, The American University in Cairo, 2022

- Organized meetings and conducted data entry, outreach, and communication with other organizations.
